

Certificate Of Achievement

This is to certify that Energy Audit conducted by our team of the buildings of **Uttaranchal University, Prem Nagar, Dehradun** with the best of our ability. As per the available previous energy data, Site inspection and live data measurements of University buildings we had given suggestions for better utilization of energy resources by University.

This study has been carried out by our BEE Certified Energy Auditors team and under the direct supervision of BEE Accredited Energy Auditor.

The Energy Audit report-2020-21 is available at Registrar of Uttaranchal University.
