ORGANIZERS

Uttaranchal University

Uttaranchal University has its core commitment towards diffusion of legal, scientific, technical and professional knowledge on one hand and on the other hand, the building up the character of youth by integrating ethics with education and practice with theory. Uttaranchal University can boast of being an institution par-excellence in offering a prodigious student life with access to comprehensive academic courses, recreational facilities, cultural activities, a wide range of research endeavors, and industry interface. The University is complimented by the pioneering efforts of more than a decade in legal education, engineering and management which has won us place among the premier institutes of learning in the nation. Our never-ending dedication to offering the best infrastructure and faculty has been amply rewarded by the excellent academic results achieved by our students.

We are passionate towards ensuring the manifestation of a collaborative environment conducive to learning, exposure to the best international practices and promotion of innovation and creativity. To add to its splendor, and suiting best to the title of “temple of education”, the University is situated in the lap of Devbhoomi, Uttarakhand surrounded by the fascinating geological setting and is flanked by NH-72 on one side and a beautiful broad slithering river on the other side. The pine trees surrounding the area lend a pristine and wholesome ambience to the campus.

Law College Dehradun

Law College Dehradun has splendidly contributed to legal education in the country since its inception and inauguration by His Excellency Shri Surjeet Singh Barnala, the then Governor of Uttarakhand in 2002. It has set a paradigm for legal education in the nation by offering innovative, research-driven discourses that are aimed at striking a balance between legal theory and practice. With scholarly and experience-rich faculty, the college commands an enviable position of being in the league of topmost Law Schools of the country. The college has earned many laurels to its credit; it has pioneered the 5- years BA LLB and BBA LLB integrated undergraduate course in the northern region of India, it is the first independent Law College and also the first to introduce one year LLM degree course in the state of Uttarakhand.

Vasundhara – The Green Society

Vasundhara- the Green Society intends to create awareness and increase the consciousness & knowledge about the environmental issues. It aims at the creation of a Green Campus with phased initiatives involving the student community and all the stake holders making the University the first of its kind in the region to achieve environmental social responsibility. The society has a global vision with a local focus and collaborates with similar institutions to enhance efficient use of resources & sustainable development. The society aims to provide training, promote research development and create awareness on environment & the need for its protection & conservation through various environmental education programs.

Event

“PAPER PRESENTATION” on

“ADR Methods For Environmental Disputes”

A different style of competition, Paper Presentation involves researching and writing a legal essay and then presenting it to a panel of judges. This competition provides a platform to enhance the research as well as the communication skills of the participants. The competition aims to develop interest among the students to explore and analyze legal issues, especially related to environmental law.
